Celebrations and thanksgivings, shared community and fellowship with one another, is what St. Francis is all about. It's all part of welcoming in a new season at St. Francis and blessing the sense of hospitality and worship. We begin our liturgical calendar once again from the beginning and the Advent Season.

Now we turn to what is the season of charity and mercy, Grace given to us from God, through Jesus our Savior. This is a focused time as we renew our relationship with the Samaritan Center with our **ANGEL TREE** and share our resources with them for their needs. This is a focused time when we enter into preparation for Advent and allow ourselves to reflect and are quiet, awaiting the birth of our Lord. Our **TAIZE SERVICES** will be weekly as we pause in the mid-week, letting ourselves pray and be present to our Lord and one another. We honor the change of the seasons and the **Winter Solstice** as we gather together around the fire.

This is a focused time when we prayerfully enter into a Covenant and commit ourselves to this community, offering our resources of time, talents and treasure for another season at St. Francis through our **Pledges**. We are seeking what God has for us in the present moment and for our time to come. The Scripture continues to speak to us as we anticipate our future in Jeremiah 29:11 *"For I know the plans I have for you, declares the Lord, plans to prosper you and not to harm you, plans to give you hope and a future."*

As each one of us commit to the community and work of St. Francis we will realize this promise. We are the church collectively, and our life and worship, fellowship and shared sacred moments are what make up St. Francis. As we turn into this season of charity and mercy, Grace and Love, may we prayerfully discern what our part is to participate in the Spirit's work at St. Francis. As we await our Lord's birth, may this Advent season be our awakening into a fresh revelation of the Lord our God, even as the shepherds were startled by the guiding star. We follow that star and cast our gaze, in this focused time, on a newborn baby that is the hope for the world.

Ten Tips for a Simpler, More Meaningful Christmas

1. Plan ahead. Instead of going on auto-pilot the day after Thanksgiving, hold a family meeting to decide what the group really wants to do and who's going to do what.
2. If you need a symbol for giving (in addition to Jesus and the Magi), learn about St. Nicholas. Santa Claus has been completely taken over by commerce.
3. Avoid debt. Refuse to be pressured by advertising to overspend.
4. Avoid stress. Give to yourself. Don't assume that things have to be the same way they've always been.
5. Draw names rather than everyone giving something to everyone else in your giving circle. Set a ceiling for each recipient. Give children ONE thing they really want, rather than so many gifts. If need be, pool funds.
6. Give appropriate gifts. Get to know the recipient. Give what they want to receive, not what you want to buy.
7. Give alternative gifts. Give 25% of what you spent last year to the needy... individuals or groups locally, nationally or internationally. Practice Fair Trade. Buy crafts and clothing from developing countries at alternative gift markets, not from commercial importers, so that artisans receive more for their work. Give of yourself, not just "stuff" – a coupon book for future services (such as baby-sitting or an "enchanted evening"); something baked, sewn, handmade, composed, etc.; or a family service project, such as working together at a soup kitchen.
8. Celebrate Advent for four weeks before Christmas. Use the booklet "Whose Birthday Is It, Anyway?" or some other appropriate guide.
9. Put the gifts under the tree shortly before opening them. Then take turns opening them around the tree, not all at once, so that each gift can be admired and each giver thanked. Read to each other, tell stories, play "The Christmas Game," leave the TV off.
10. Make changes slowly but persistently. Don't try to change everything and everybody all at once. The resistance will make you feel defeated and lonely.

Our Beloved Church Administrator, Nancy Danowsky ...

Has needed to complete her engagement with St Francis and meet some family needs. We are so grateful for all she did for us and her involvement with the community. She will be missed.

However, St Francis is delighted to say we have now extended the position to Chrissy Bowden who is able and equipped to rise to this new position in serving St Francis. As she fulfills these administrative tasks, we will be looking for someone to do housekeeping and cleaning for St Francis.

Thank you for all your service and ministry for us Nancy.

We bless you and wish you well!

Vespers, one of the two main hours of the Church's daily Office, has roots extending into the evening prayers of ancient Israel. Lucernarium (literally: lamp lighting time) was another name for these periods of devotion which began at the rising of the evening star with a blessing prayer. The Book of Common Prayer preserves the evolution of these early forms of worship and prayer in a way that is faithful to our heritage and open to creating new traditions.

Taizé Services

The Taizé Community is an [ecumenical monastic order](#) in [Taizé, Saône-et-Loire, Burgundy, France](#). It is composed of more than one hundred brothers, from [Catholic](#) and [Protestant](#) traditions, who originate from about thirty countries across the world. The community has become one of the world's most important sites of Christian [pilgrimage](#). Over 100,000 young people from around the world make pilgrimages to Taizé each year for prayer, Bible study, sharing, and communal work. Through the community's ecumenical outlook, they are encouraged to live in the spirit of kindness, simplicity and reconciliation.

The community, though Western European in origin, has sought to include people and traditions worldwide. They have sought to demonstrate this in the music and prayers where songs are sung in many languages, and have included [chants](#) and [icons](#) from the [Eastern Orthodox](#) tradition.

The music emphasizes simple phrases, usually lines from [Psalms](#) or other pieces of [Scripture](#), repeated and sometimes also sung in canon.

We will be offering Taizé services every Wednesday through Advent to allow ourselves a pause and rest in the midst of the busy holiday season.

Services are at 6:00 pm in the Church. This service offers some time to take some quiet and reflection upon the meaning of our lives and the Advent of Christmas.

All are welcome to each service:

BOGOTA KIDS MISSION

Lloyd and Anita Mix

The Bridge

October 2021

Our mission is to build a bridge to a brighter future:

"We are so grateful for all you have done for our family. I told my older daughter in the USA not to worry about us, that there is a foundation here that is helping us with everything. The kids are now well equipped to re-enter school in Venezuela but wanted to keep coming to The Bridge for as long as they can. They'll be here until the day before we leave."

Kids are already talking about Christmas...

That's because they are now in a weeklong 'fall' vacation before the final five-week stretch of their academic year. To encourage and help support families during the break, we gave out 90 bags of groceries. On Friday, Anita happened to get on the same bus as one of the recipients. As they chatted, the grateful mother chuckled while sharing all the meals she had planned for the days ahead because of that help.

Your giving provides joy and relief!

As kids gear up for their final academic push, they have been reminiscing about pre-pandemic Christmas celebrations at THE BRIDGE. In the past there have been academic certificates, stage nativity presentations (in which every child participates) a certain amount of feasting and gifts! "Are we going to do that this year?" they hopefully inquire. Since COVID lingers but is not all-consuming, our goal is to provide as much of that joy as possible.

At the top of our gift list is a storybook bible for each child...

Because that is what we hear about most. Children read them at home, sometimes to their families. They bring them into THE BRIDGE to show us and use for homework assignments. It's one of the most valuable seeds we plant. So, every second year we make it our goal to give an age and reading level appropriate 'Bible' to each child at The Bridge.

Would you help us with that project?

**A gift of \$20.00 places the Bible
in a child's hands and home this Christmas.**

We anticipate 150 children.
