We are a Resurrection People and Alleluia is our Song! But God did not leave us without an Advocate on our behalf, and there is MORE!!!! “Suddenly there was a sound like a mighty rushing wind, and it filled the entire house where they were meeting!” THE HOLY SPIRIT HAD COME!! Pentecost is the celebration of the Holy Spirit’s presence with us, empowering us to be the people of God. We are filled with the “fizzing” of the Spirit moving through us, to be light and salt wherever we are. This is truly our mission in the world, and what captivates people to know God’s love for them. Pentecost, Pente meaning 50, is 50 days after Easter, and the time when we enter into the enlivening presence of God. The presence of God is given to us through the Trinity, three persons in one, God the Father (Creator), Jesus the Son (Redeemer), and Holy Spirit (Sustainer). The Holy Spirit is the Sustainer of God’s joy in us. We are revived and renewed because of the Holy Spirit within us. Alleluia!

At our Baptism we are bestowed with the Holy Spirit, and ever after that the Holy Spirit is within us. We are embraced, enlivened, filled, and blessed within with the power of the Holy Spirit. Yet how many of us know this part of the Trinity? What is our experience with the Holy Spirit?

Perhaps even, what are the myths and “hearsay” we think about the Holy Spirit? Let’s bring our quest to this month’s gathering and find a renewed understanding and blessing from the Holy Spirit as we enter into Pentecost.

*Make ready for the Christ, Whose smile, like lightning,
Sets free the song of everlasting glory
That now sleeps, in your paper flesh, like dynamite.*
—Thomas Merton [1]

When God gives of Godself, one of two things happens: either flesh is inspired or spirit is enfleshed. It is really very clear. I am somewhat amazed that more have not recognized this simple pattern: God's will is incarnation. And against all our expectations of divinity, it appears that for God, *matter really matters*.

This Creator of ours is patiently determined to put matter and spirit together, almost as if the one were not complete without the other. This Lord of life seems to desire a perfect but free unification between body and soul. So much so, in fact, that God appears to be willing to wait for the creatures to will and choose this unity themselves—or it remains unrealized. But if God did it any other way, the medium would not be the message: God never enforces or dominates, but only allures and seduces.

God apparently loves freedom as much as incarnation. This is the rub of time and history and our interminable groanings (see Romans 8:18-25). Jesus trusted God's slow process of incarnation instead of demanding an immediate conclusion. The result was resurrection and the realization of eternal union between body and spirit, human and divine.

The reason we have trouble with the full incarnation in Jesus is probably because we have not been able to recognize and enjoy the incarnations everywhere and all the time. As poet Gerard Manley Hopkins wrote:
For Christ plays in ten thousand places
Lovely in limbs, and lovely in eyes not his
his
To the Father through the features of
men's faces. [2]

Not even by ourselves will we honor the divine image. In the oft-quoted words of Marianne Williamson:

Our deepest fear is not that we are inadequate. Our deepest fear is that we are powerful beyond measure. . . . You are a child of God. Your playing small does not serve the world. There is nothing enlightened about shrinking so that other people won't feel insecure around you. We are all meant to shine, as children do. We were born to make manifest the glory of God that is within us. It's not just in some of us; it's in everyone. And as we let our own light shine, we unconsciously give other people permission to do the same. As we are liberated from our own fear, our presence automatically liberates others.

PENTECOST SERVICE MAY 20

What is Pentecost? In the early church, the disciples experienced a phenomenon of the power of the Holy Spirit fifty days after the Resurrection and Ascension. Jesus had promised to the followers that they would be given the Holy Spirit when he left them. Now they were fully immersed in the experience. (See Acts 2).

At St. Francis it is our tradition to celebrate this experience outside with a service. Come ready to enter into the joy of the Spirit's presence with us, as we open ourselves to allow the Holy Spirit to revive, refresh, and renew us.

Wind chimes will be part of our service. If you've got one, bring it along! The sound of a mighty wind can be heard by all! Want to know more about the Holy Spirit? Come to the class after service and ask questions about the power and presence of the third person of the Trinity!!!

What is a Sexton? *a person who looks after a church and churchyard, sometimes acting as bell-ringer and formerly as a gravedigger.*

Well, here at St. Francis we don't have a graveyard, and we aren't asking Chrissy to dig any graves...we do have some bells, we could incorporate ...!

Seriously, our beloved Chrissy is our Sexton, an old English word in the Church of England, that denotes the care and love for the grounds and property of St. Francis both inside and outside. You can appreciate with the property of St. Francis being almost 5 acres that's a tall order. Let alone just looking after the inside of the church and Sunday School Building. Our Sexton is pretty wonderful as she does not only the maintenance, but also looks after the landscaping and gardens, tends to the fountain and the Rose Garden, and keeps things fixed and working. It is a joy to have her as part of the staff at St. Francis. Of course, you know her son, Joshua, who eagerly bounds up to the Altar each Sunday to help with Communion.

Chrissy also coordinates all the groups that use the grounds and facility. She keeps the calendar humming between the Home Schooling Classes, the AA Meetings, Grief Recovery Groups, Labyrinth Walks, and Drumming Circles. We would be a little adrift without her!

Please bless her when you see her and love on her. She loves St. Francis for us all and blesses us with her gift of generous giving.

The Bishop is Coming

We have a wonderful opportunity to welcome Bishop Diane to St. Francis September 25. What a delight to share with her our ministry and love we have here and to enter into worship and celebration with her.

Wait a minute, Sarah. That's September, this is only May! Oh yes! Why am I bringing this to your attention now? We are offering teaching about the Episcopal Church and Confirmation Classes starting in May to prepare for the Bishop's arrival.

What is Confirmation? *"The sacramental rite in which the candidates "express a mature commitment to Christ, and receive strength from the Holy Spirit through prayer and the laying on of hands by a bishop" (BCP, p. 860).* It is a ritual in the church to receive people of all ages that wish to make a deeper commitment to Christ and the fellowship shared in the church.

If you are someone who would like to know more about the Episcopal Church and go deeper in your understanding in your faith, we wish to invite you to an open forum May 20 right after church. Brainerd and Esther Dharmaraj will be teaching it and will coordinate further classes and topics to be discussed.

If you are just curious about St. Francis and would like to know more about what the liturgy means, why do we change it, what are the liturgical seasons, why does Sarah do what she does, this is a place for you!!! We want to encourage everyone to take this opportunity to ask questions, to dig deeper, and to enliven your faith and your relationship with God and the church.

May 20. Grab some coffee, and come into the Sanctuary and celebrate Pentecost with deeper understanding of the Holy Spirit and renewed commitment to the Trinitarian Dance!!! See you there!
