

WEDDINGS AT ST. FRANCIS EPISCOPAL CHURCH

“Because it is the nature of love to create, a marriage itself is something which has to be created, so that together we become a new creature.”

- Madeleine L'Engle

A Beautiful Setting

If you can't fly to Tuscany for your big day, St. Francis Episcopal Church might be the next best thing. With a nod to the architecture of Assisi, the church was designed to make the most of the landscape. We have a bell tower, garden walkways, and a rustic patio full of twinkle lights.

- A light-filled sanctuary
- Traditional church architecture
- Sun-dappled walkways
- Wisteria arbor

Outdoors

On the grounds, St. Francis features a rose garden with a fountain, walkways and sculpture, a variety of plants, and even a labyrinth. There are lots of trees for shade, and room under the trees for a small outdoor ceremony.

Call us and make an appointment to come tour our facility.

Your Wedding Your Way

We will accommodate requests to make your event just right.

- Officiant: bring your own or request ours. Rev. Sarah Kitch is the vicar of St. Francis.
- Music: bring your own musicians or music, or request our music director. Derek Silbermann is a professional jazz pianist.
- Catering: bring in your caterer or let us recommend one. We offer use of a full-service kitchen and outdoor patio.
- Refreshments may include wine and beer.

Practical Help

We will see that your marriage license is properly submitted once the ceremony and the signing take place.

A wedding hostess will assist you at the rehearsal and the wedding, unlocking doors, receiving deliveries, and answering questions about the facility.
